WORKING UP A SWEAT

For the delicious, Alyssa Branch, taking pride in one's work is almost as satisfying as the work she does. With every new guy she meets she does a fair amount of experimenting in order to get new reactions. This can be a blessing or a curse, because once she gets a good, hard cock in her, she won't stop till she has exactly what she was after. Her body can only be described as relentlessly hot. Even if she's gotten her reaction, she can keep going till her pussy is sore.

HOW WET CAN A PUSSY GET?

The beautiful Deena Dee just can't stop thinking of yummy cock. She daydreams for hours wherever she goes. Even when her boss is scolding her for slacking, all she can think of is tearing off his pants and riding him endlessly. By the end of the day her panties are dripping wet. As soon as she's behind closed doors, those panties are off and it doesn't take long to find her dildo.

Good morning, I'm Bella Baby and I'll tell you a good cup of coffee in the morning can determine your outlook on the whole day. Coffee isn't the only wake up call there is. I can think of a better stimulant to put in my mouth. If my boyfriend is still asleep, I think I should wake him with a nice hot blowie. I could slip off his tighy-whities to reveal that summer sausage. Once I get that dick hard I want it all over my wet tongue.

I'LL TAKE GOOD CARE OF THAT MORNING WOOD

All I can think about right now is stroking that cock over and over. Keeping that cock inside my mouth and sucking it till I get every last drop of cum out of him. I think I'm gonna get started on that now. Oh no, he's already awake! Oh well it, that won't stop me now!

Kenna James is definitely the sexiest babe in her neighborhood. And she knows it too. When she goes out for an afternoon tan, odds are she'll attract some peeping toms, but why should she be embarrassed. After all, who are people gonna believe, a perv, or a princess.

YOU CUTE LITTLE TEASE

So she'll find a shaded area where she can have some fun. She'll strip down and pleasure herself while moaning as quietly as possible. From the moans and groans to the pussy fingering, she leaves the poolside satisfied quite a bit more than anyone else.

WHAT A WILD RYDE

Romana Ryder is one of the best kept secrets in her neck of the woods. Always looking to pass the time with a nice stiff cock, she's ready when the moment arises. Her lingerie is always tucked beneath her outfit, just in case some strapping young guy wants to sweep her off her feet. And when that occasion arises you bet he'll be getting more than they bargained for. Once she's disrobed, her mild mannered facade becomes the sex animal she actually is.

MUST BE 18 TO CALL 800-853-8264 I LOVE TO HOLD IT, LICK IT AND BLOW IT!

Fuck the Interview

"I'm nervous as hell," I said, draining my drink, then ordering another.

No more than two, I reasoned, entering the bar at high noon.

I couldn't afford to get drunk, not before my three o'clock appointment. Of course I shouldn't have been drinking at all. I should've been at my apartment getting mentally prepared for the forthcoming job interview. But booze relaxed me, kept me loose and calm.

A whole hell of a lot was riding on this thing. What with my bank balance sinking by the day, I was desperate for a job. And this would be a damned good gig, an adjunct teaching position at the local liberal arts college.

Finally, I mused, a chance to actually use my master's degree. Since finishing graduate school last year I had worked a series of low-paying, menial jobs: house painter, convenience store cashier, pizza delivery driver. I was sick of such mind-numbing toil, and more than ready for a job commensurate with my education level.

I claimed a stool and ordered a gin and tonic, my preferred summer drink. It was late July, balmy. The place, a dank dive near the college, wasn't doing much business. Too early, I guessed; or maybe just too damned hot. They had a limited menu, but I wasn't hungry. There would be plenty of time to eat after the interview.

The bartender made a mean drink. I sat there, lost in thought, and worked on it. A young couple—clearly students—sat at a table sharing a pizza and a pitcher of beer. Perhaps, if I landed the job, I would see them again, see them sitting in my classroom as I discussed the finer points of writing the five-paragraph essay. Enrollment was up, and the English department needed somebody to teach freshman composition.

Hopefully that somebody would be me—

"Liquid lunch, huh?"

The voice dashed my reverie.

She had taken the stool to my left, a wispy brunette in a sundress. A single braid of hair draped over her delicate shoulder. She had amazing green eyes; a heavily freckled face, coupled with a tiny hoop piercing in her eyebrow, lent her an exotic look.

"Guilty as charged," I said.

I didn't feel so bad when she ordered a beer with her chicken salad sandwich. The food arrived promptly; we sat there, making small talk, as the place began to fill up. I told her all about the interview. She seemed genuinely interested.

"I'm nervous as hell," I said, draining my drink, then ordering another.

"You'll do fine," she said.

"I'm scared shitless."

I hated to admit such a thing, but it was true. Those two drinks had failed to calm my frazzled nerves. I was full of anxiety and tension and, like I had told her, even downright fear. I felt like a total loser, confessing my shortcomings, my utter lack of backbone. She finished her beer. The bartender took her empty glass. She put everything, my tab included, on her card.

"Come on." She reached for my hand. "We're getting out of here."

I sat there in the passenger seat as she drove through the small campus, slowly working her way to the soccer field. She really knew her way around the school, so much so that I asked her if she was an alumna.

BLAIR-NTS-09

"Hell no," she said, hands on the wheel. "My parents couldn't afford this place. I went to a state school."

"That makes two of us."

She parked in the shade beneath a cluster of pine trees. I could see the soccer pitch in the rearview mirror, a vast expanse of grass baking in the sun. She left the engine running, her AC unit keeping us nice and cool.

I watched with a mixture of disbelief and amazement as she unbuttoned/unzipped my khakis and tugged them down to mid-thigh. She took my cock in her hand, stroking it gently, up and down, as I leaned back in the seat, hardly believing

interview.

I parked, cut my engine, and regarded the English building. Ivy crawled up the red brick walls. Being summer, I saw very few students. But that was about to change. Three more weeks and the place would be teeming with activity.

And what about me? Where would I be in three weeks?

She never told me her name and I didn't ask, just lavished her with thanks after she had driven me back to the bar. Now, taking several deep breaths, I sat in my car and visualized a successful interview, the performance of a lifetime.

A rather zaftig administrative assistant—young and

what was happening. It wasn't long before she spat on my prick, providing a natural lube for her hand. She jerked my glistening shaft like a pro, treating me to the best handjob I had ever had. Eventually she added her other hand to the proceedings, proving her adeptness with both techniques. My cock grew harder and harder as she worked her hands up and down, up and down, pumping me with increasing speed. I was damned close to blowing my wad when she stopped.

She leaned over and devoured me, taking my prick into her mouth as if her very life depended on it. Her lips clenched my shaft, skimming up and down, up and down, as her head bobbed in my lap. I sighed with pleasure, watching that beautiful red braid bounce while she feasted on my dick. This went on for some time before she came up for air and smiled, her lips coated with saliva. She licked my prick, base to cap, varnishing it with delectable care. Then she licked my balls, licked and sucked them while tugging my cock with one hand.

It felt amazing, absolutely wondrous, and I would've loved to stay there forever, encamped in her car while she serviced me, but my body demanded otherwise.

Cum jetted from my dick, rope after rope, as she continued to lick and tug, milking every last drop. I relaxed, allowing my heartbeat to return to normal, as the cool air kissed my face. I felt fantastic, like a new man—the tension, anxiety, fear, all gone, seemingly banished by her amazing skills.

"Now," she said, "how do you feel?"

"I feel great, fucking great."

"That's what I want to hear."

And it was true. I was on top of the world. Competent and confident and more than eager to go in there and ace the

bookish, probably a grad student working part-time to help pay for her degree—was addressing letters when I entered the departmental office. I introduced myself. She smiled and told me to have a seat. I made myself comfortable, declining her offer of a cup of coffee. I didn't need caffeine buzzing through my system, not now. The car sex had calmed me considerably, and I didn't want to foul that up.

The phone on her desk purred. She answered it, speaking in a well modulated tone. I had yet to converse with the department head. The interview had been set up by the admin assistant. I hadn't recognized her voice at first, but now, listening to her talk on the phone, I realized that it had been her who had called me a few days ago.

"You're certainly welcome, ma'am."

She hung up. The phone rang immediately. Her tone was different this time, less formal, somewhat hushed. After hanging up she led me down a short hallway lined with faculty offices. Most of the doors were closed, the professors enjoying the last weeks of their respective summer vacations. The department head's office was the last one on the left. The door was open. She greeted me at the door with a smile and a handshake. "Thank you, Alicia," she said, dismissing the grad student.

I stood there, utterly stupefied—

"Please, come in. Have a seat."

It was her, the freckled redhead with the green eyes, the ginger hottie who had sucked me off in her car less than an hour ago!

My legs felt like jelly as she closed the door and moved behind her desk. I barely made it to my seat. Crazy butterflies

flapped and fluttered in my stomach.

"Surprised?" she asked.

"I . . . um . . . huh . . ."

"As we talked at the bar I realized who you were. I thought about revealing my identity, but decided not to. That would've made you even more nervous than you already were. And God knows you were plenty nervous."

"I don't know what to say."

"I hope you're not angry with me."

"Why would I be angry?"

upped the pace and force.

The ultimatum had been stated quite clearly. I had to make her come. My future depended on it. Failure was not an option.

I banged her box with everything I had, driving my cock deep, pummeling her pussy like a mindless machine. Still, I fully understood the importance of variety. I pulled out. My potential employer read me perfectly, turning around to face me, sitting on the edge of her desk, her sandaled feet dangling.

She had sucked me earlier. It was only natural for me to return the favor. She leaned back on her elbows, knocking

She thought about this one. Then, "I suppose you're right. After all, I did give you a blowjob."

My day was getting stranger, approaching the surreal.

"This may be a dumb question—"

"You're wondering about the interview, of course. Well, I've been thinking about that. How would you feel about trying something a bit unconventional?"

"I don't follow."

"Fuck the interview. The job is yours; on one condition."

"One condition?"

"You have to make me come."

I sat there in silence.

"Can you do that for me? Can you make my pussy come?"

She didn't wait for an answer, just came out from behind her throne and stood before me. She turned around, placed her hands atop the desk and leaned forward, wagging her ass in my face.

"Wow," I said, "this beats the hell out of discussing the finer points of—"

"Shut up and fuck me."

I raised the hem of her sundress, draping it across her back. No panties. And who could blame her? It was an awfully hot day. I dropped my khakis, letting them slide to the floor. The sight of her bent over the desk like that, her beautiful white ass just waiting for me, revved my pulse. Heat flooded my cock, stiffening it into a turgid rod. I dipped a finger into her honey pot. She was wet, ready. I entered her, all the way to the hilt, with a single thrust. She moaned as my cock stretched her tight pussy. I grabbed her slender hips and thrust, watching my shaft slide in and out, relishing the sound of slapping flesh as I

a hardback book onto the floor. The tome landed with a resounding thud seconds before I pressed my face between her legs. I ate her with gusto, licking her slit, sucking her clit, jabbing my tongue in and out of her cunt hole. She responded favorably, sighing and moaning and thrusting her hips. I sensed her impending release.

No, I thought. Not yet. I wanted to look into those dazzling green eyes when she came, wanted to see her face contort with boundless pleasure as the dam broke.

I stood ramrod straight, positioning myself between her thighs.

"Grab your feet," I said, "and pull your legs back."

She obeyed without a single word, splaying herself for a thorough reaming. I teased her a bit, rubbing my prick cap against her clit until she begged for it. Finally I drove it home, skewering her in earnest, then battering her pussy with piston-like strokes. She had her legs pulled back as far as they would go, bending herself like a taco, taking every inch of my cock. I gave it to her, slamming her professorial poon with aggression. I fucked her faster and faster, courting my impending explosion. Her urgent murmurings told me that she was close, too.

I peered into her eyes as her face twisted with ecstasy; her high-pitched peal filled the small office, reverberating off the countless books which lined its walls. My cock pulsed, shooting beads of spunk all over her taut stomach.

Neither of us spoke for several minutes. We were too tired, too spent from our delicious exertions. Finally I said, "So the job is mine?"

"The job's yours. And so is my pussy, whenever you want it."

"I think I'm going to like it here," I said.

They say not to judge a book by its cover. That is something definitely true for Veronica Rodriguez. Her 'sleek and sexy body is the cutest little fuck machine. She might look like an unsuspecting local girl, but caught alone and her true nature cums out.

TIME TO GET DOWN

It'd be hard to resist nibbling on those tasty titties, or groping that curvaceous ass. Admiring her assets is one thing, but how she moves them is so much more impressive. Her full lips surrounding a nice big cock, her phat cheeks pressed up around a cock, and that tight pussy taking it all day long.
